What we are doing.

We will be carrying out safety improvement works on Godstone Road, Bletchingley. This will involve installing a new Central Island and improving the road markings.

Works area:

Information for residents and businesses

Works will take place outside Chevington Villas. The work will be completed using two-way temporary traffic lights.

Temporary traffic lights will be in place 9:30am – 3:30pm for the duration of the works.

We will make sure you can get to and from your house or business when it is safe to do so. Please talk to a member of our staff on site about your access queries – talking to our staff can easily solve most issues.

Delays in work

Our work is sometimes delayed by bad weather. We will keep you updated on any changes via the advance warning signs and on [one.network](#)

Updates

If you would like to sign up for updates on these works, you can do so using the roadworks map at [one.network](#) and searching for your road.

Parking

It is essential to keep the road free from parked vehicles. Please park somewhere else otherwise your vehicle may be towed away to a nearby road.

Noise

There will be some noise but we will try to keep this to a minimum.

Buses

If you use the bus, check with your bus operator to find out if there are any alterations to the service during these roadworks. You'll find all Surrey's operators and their websites listed here:
